Pairing iPad Case with Bluetooth Keyboard with your iPad

Preparation:
Please make sure both your iPad and iPad case with Bluetooth keyboard are fully charged prior to proceeding (for first use please charge it with provided USB cable for at least 3 hours).

Please note: If you’re experiencing a “lag” while typing, this is a sign your battery level is low and must be recharged.

Step 1: Toggle on the Power Switch, the Power and Bluetooth Indicators should be on for approximately 5 seconds. It is now in idle mode. Now press the Connect Button. With the Power Indicator lit, the Bluetooth Indicator should be flashing. It is now in pairing mode.

Step 2: On the iPad, tap Settings. Within the General tab, select Bluetooth. If Bluetooth is turned off by default, tap to turn it on. The iPad should now be searching for all Bluetooth devices within range. Wait for Bluetooth Wireless Keyboard to appear under Devices.

NOTE: Depending on your operating system, your iPad set-up/screenshot may differ slightly from what is pictured.
IMPORTANT NOTE:

FCC Radiation Exposure Statement:
1. This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. End users must follow the specific operating instructions for satisfying RF exposure compliance. The user must ensure that the antenna is at least 20cm from the user body when the device is operating. 
2. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

FCC Statement

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try and correct the interference by one or more of the following measures:

1. Reorient or relocate the receiving antenna.
2. Increase the separation between the equipment and the receiver.
3. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
4. Consult the dealer or an experienced radio/TV technician for help.

Industry Canada Conformity

This device complies with Industry Canada’s ICES-003 regulations. Operation is subject to certain conditions:
1. This device may not cause interference, and
2. This device must meet the interference requirements that may cause harmful interference to radio or television reception.

CALIFORNIA PROB 65 WARNING

"WARNING" This product contains a chemical known to the State of California to cause birth defects or other reproductive harm. For more information on these regulations and a list of chemicals, log on to the following website:

Innovative Technology Electronics Corp.
Limited Warranty 90 Days Labor, One Year Parts

Innovative Technology Electronics Corp. ("IT") warrants the product to be free from "Defects" in materials and workmanship for the period specified below. The Warranty is "Non-Transferable." It expires within the initial "1-Year" period to repair or replace the product if it is determined to be defective at "No Charge." It is further agreed that "IT will cover the cost to repair or replace damaged "Part(s)" only for a total period of "1-Year" from the date of the original purchase. The warranty does not cover cosmetic damage, antennas, AC cords, cabinets, handsets, etc., or damage due to power surges, connection to improper voltage supply or settings, misuse, mishandling, accident, acts of God or attempted repair by unauthorized service agent.

To obtain service, the customer MUST present an original sales receipt / proof of purchase. Please contact us at www.itlemproducts.com to request a RMA (Return Material Authorization) number to return products for service or replacement. Returns without an RMA number on the package will be refused and returned to sender. Upon receipt of the returning item and our handling fee (if applicable) the customer will be reimbursed to the customer for the same item or one that has equivalent value and features. To return an item, supply full name, return address, phone number, item purchased, purchase and return to obtain RMA number.

All returns must be in the original packaging or acceptable substitute to prevent damage. Customer "Must" include full name, shipping address and telephone number inside package of items. No return will be shipped back to a PO Box or AP address. Please include your check or money order in the amount of:

US$5.00 for Items $10.00 to $35.00 (Price Paid Per Unit)
US$10.00 for Items $50.00 to $99.99 (Price Paid Per Unit)
US$50.00 for Items $100.00 or Up (Price Paid Per Unit)
Shipping fees are non-refundable.

To be payable to Innovative Technology Electronics Corp. for handling and return shipping charges. (IT) will not be responsible for any disputes or unprocessed claims resulting from a purchaser’s failure to provide any/all of the necessary information.

Send all inquiries or RMA requests via our website at www.itlemproducts.com/support.
